PREFACE

It is our immense pleasure to bring out the "First Edition" of this book which is dedicated to the students and faculty of B. Pharma institutes of this country. This book is designed and edited in accordance to the syllabus requirement of "Medicinal Chemistry-III" of third year (6th semester) B. Pharm course in Pharmacy prescribed in "Bachelor of Pharmacy (B. Pharm) course regulations 2014" by Pharmacy council of India.

Sincere efforts have been made to present theoretical aspects in detail along with Diagram/Chapter wise objective question & theoretically questions bank (with solution) for easy understanding the mechanism of actions of drugs and its pharmaceutical medicinal chemistry aspects. Most aspects are described stating examples with an intention to scaffold theoretical concepts and easy attempted during Medicinal chemistry III theory sessions to various global organizations.

The major objective of this book is to provide students, collective information about subject in simple and lucid language. We have kept in mind the difficulties which the students generally face during examination.

The salient features of the book are:

It covers all the topics prescribed in "Bachelor of Pharmacy (B. Pharm) Course Regulations 2014" by Pharmacy council of India.

The language used is simple and lucid.

The book contain question with answer with short, medium & long question with solution.

We hope that this book shall be found useful by the students and quick lessons for teaching faculty.

We are thankful to the management of IIMT College of Pharmacy, Greater Noida, U.P. for their keen interest and timely encouragement that made it possible to bring out this first volume.

We are highly indebted to Dr. Vivek (HOD Pharmacy) IIMT college of Pharmacy, Greater Noida, U.P. for his constant motivation and guidance.
